Since 1976, the **Independent Living Center of Southern California (ILCSC)**, a consumer-based, non-residential agency, has provided a wide range of services to people with all disabilities, seniors, and veterans. The ILCSC is dedicated to providing the services which offer the opportunity to seek an individual course towards independence—while educating the community. *We invite you to contact us if you need further information—818.785.6934*

Norma Jean Vescova, CEO

The Community Advisory Committee (CAC) is made up of individuals with disabilities, organizations, and other community resources who are seeking change in the community which will enhance the lives of persons with all disabilities, seniors, and veterans. The CAC discusses pertinent issues that are important in making these changes and gathers information that will help meet the needs of people with disabilities, seniors, and veterans.

**The ILCSC does not necessarily endorse the products, services, companies, or organizations listed in Community Resource Guide.*
